

Back-to-School Day!
Saturday, Sept. 16th
Come learn in your
child's classroom!

Back to School Day is a time for you to get to know your child's teachers and learn more about our curriculum. Your teachers will discuss curriculum design, developmental learning opportunities (according to your child's age and skills) and answer yours and other parents' questions. You will also engage in some of the same activities your child is doing in class each day!

Come to your child's classroom:
9:00-11:00 AM — All Classes (talk to your teachers about your classroom time to meet)

THIS EVENT IS FOR ADULTS ONLY. *Back-to-School Day will be held inside in your child's classroom (teachers may take your temperature at the door). Drop-in Holiday Care will be available as needed in the Bike Circle area (the front playground). You can use your Prepaid Hours to pay for holiday care during Back to School Day.*
